

# Sa Torre and Porto Cristo waste collection boundary map

If your home is within the green door-to-door waste collection area as indicated on the map, it means that waste must be left at your doorstep for pickup, properly separated, following the weekly calendar.

The Calendar can be picked up at the City Council or download it from the website [residusmanacor.cat](http://residusmanacor.cat)

All homes that properly separate waste can request a deduction on their annual waste disposal tax.
